NEW SHOW!!**

DONT MISS THE FUN!

MAD SCIENCE OF AUSTIN

Spark Imaginative Learning
Fun Science Classes
Hands on and Engaging Experiments

The **Ocean in Motion** experience is designed to highlight environmental challenges to the creatures living in the Gulf of Mexico and address ways in which individuals can have an impact on its conservation.

The **Ocean in Motion** exhibit trailer is a 48-foot interior post-closed van, which has been built to enable adaptable and changing program and exhibit themes. Comprised of five major exhibit components, **Ocean in Motion** includes live animals, interactive computer technology and other media.

Major Exhibits

Ship Theatre • The Beach
Downstream
Fishing Pier
Wheel House

Back By Popular Demand!
